

# Events at Ashton Gate Stadium – COVID19 Precautionary Measures

**All measures are reviewed regularly and in line with Government Guidelines.**

- Capacities for each space have been re-calculated to allow for social distancing within each room
  - Floor markings will be in place for staff and clients to adhere to
    - Queue systems for bar service where necessary
      - Queue systems for toilets
    - Frequent cleaning of toilets throughout event duration
      - Screens/barriers in place where appropriate
        - We will limit the number of staff on duty
  - Chef has organized kitchen area safely and has own systems in place
  - All tills will be cashless, with contactless payments encouraged
    - Tills moved if needs be, to accommodate queuing safely
      - Staff will wear PPE where appropriate
        - Gloves to be worn at all times
        - Regular hand-washing ensured
        - Kitchen to be sterilized after use
- Packed lunches or plated meals to be delivered to station/table at an appropriate time to ensure social distancing measures are maintained
  - All staff to undertake necessary internal COVID19 training
- Catering staff to self-declare they have been clear with no signs or symptoms for at least 2 weeks prior to working
  - All surfaces wiped down regularly
  - Hand sanitizer available throughout
- If necessary, guests to be given visual signs for cars, to enable automatic entry
  - Clear signage everywhere to show directions to space required
  - Clear signage everywhere to ensure social distancing is adhered to
- Doors to be left ajar where possible, with fire precautions adhered to. Doors may have a member of staff nearby in the event of an emergency

*All clients and delegates will be expected to follow all COVID19 precautionary measures in order to ensure safe accommodation of their event.*
